LAP OF TASMANIA

Your ultimate Australian road trip

What is it?

Tasmania is a small State and a self-guided 'lap' of the island is the perfect way to experience everything it has to offer.

The route is 1,500 km long, and visitors have complete freedom to plan their own memorable Lap of Tasmania road trip.

Our audience

We appeal to solo, couple and family travellers with a passion for self-guided journeys by car, campervan or motorcycle.

Our vision

To be recognised both locally and globally as the premier Australian road trip.

Our mission

Through engaging and actionable content we:

- Inspire travel, and help visitors to plan and experience the perfect road trip holiday.
- Support local business and regional communities through active promotion and increased visitation.
